# City of Beaman Wednesday January 16<sup>th</sup>, 2019 5:30 P.M. Special Council Meeting & Budget Workshop

The Beaman City Council met on Wednesday, January 16th for a special council meeting in the Council Chambers. Mayor Ann Smith called the meeting to order at 5:34 p.m. Members present: Barry Brockman (via Skype), Dave Moorman, Jason Scafferi, Deb Ashton and Brenda Heitmeyer. Absent: None. Others present: Bryan Moeller, Fire Chief, and two guests. Moorman made a motion - seconded by Ashton - to accept the agenda with no changes. Motion carried 5-0. There was discussion of appointment of City Attorney - no action taken. Fire Department presented need for new apparatus, a fire/rescue truck, which would be replacing an older fire vehicle, as the newest they have is 20 years old. The primary use would be first, quick attack for emergencies. Other functions are rescue, accidents (auto, farm, any location, has jaws of life, grain bin cutter, 200-250 gallons of water, pump, hose, and reel), chemical spills (will be equipped with HazMat), can be used in all temperatures - nothing will freeze or break, no generator needed on truck as it has LED lights, transverse storage goes through body of truck, two person truck with medical bags on driver side and SCBA on passenger side, truck will be 4WD 550 with gas motor, off-road package, large extended cab, and wide rear single tires. There is a likelihood of increased need due to influx of traffic due to a detour the next two years. The Fire Department has a truck committee, they shared plans to raise funds by writing for grants, donations from businesses and individuals, pancake breakfasts, letters, selling older fire trucks, and possible a Go Fund Me page. The truck committee will get a final dollar amount by March. Lead time for ordering varies. No action taken. Next Special Council Meeting and Budget Workshop scheduled for Wednesday, January 30, 2019, at 5:00 p.m.

Heitmeyer made a motion — seconded by Scafferi — to adjourn the meeting at 7:30 p.m. Motion carried 5-0.
